## JOHN WALKER FAMILY REUNION

Boise, Idaho - - - - June 27, 1987

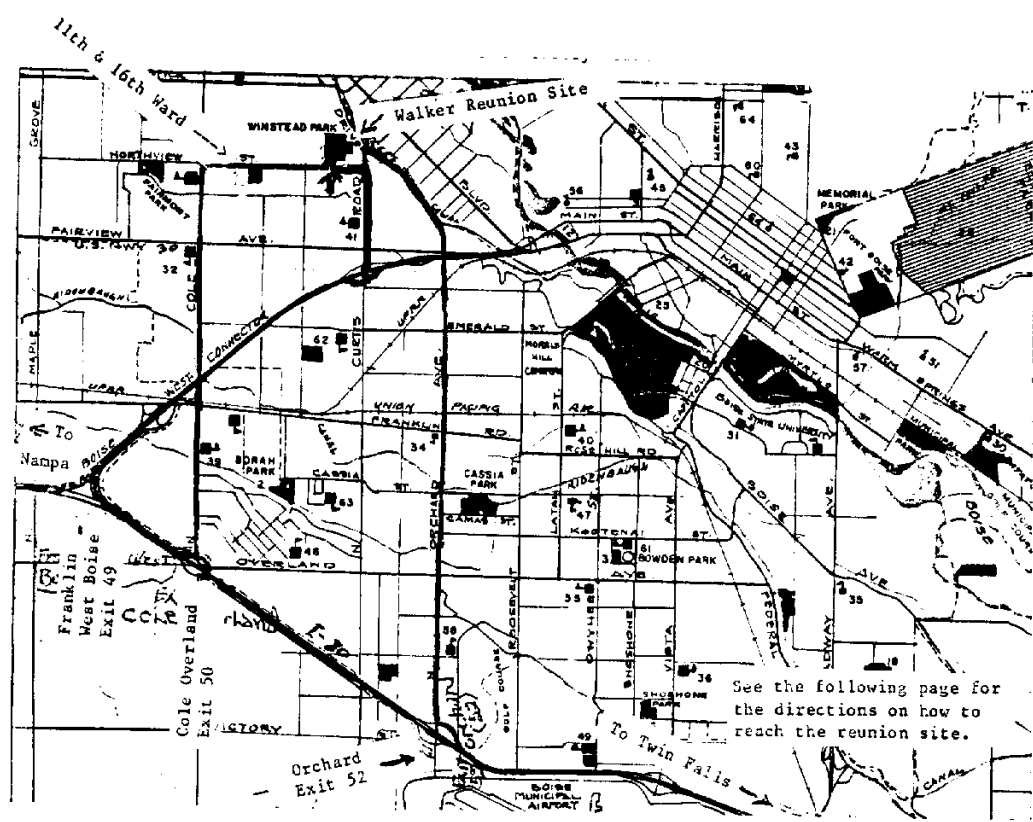

The Winstead Park has been reserved for the annual "get together" to be held on June 27th, 1987. It is the same site where we met in 1982.

As said in the President's Message in one of the Newsletters on the Boise reunion in 1982, "We found special people in the Boise Valley. The John Walker family is indeed a great family with much enthusiasm and talent."

Time for the reunion is from 11:00 A.M. till 4:00 P.M. As usual business meeting, luncheon and Talent Show will be main part of the program. Of course "Get Acquainted" is the prime part of the reunion.

People are to bring their own lunch and pool their food and enjoy each other company. The John Walker Family will furnish the drink.

The park has facilities such as tennis courts, softball diamond, lots of space to set up volley ball or whatever play as desired. There is a playground for small children. There is alsoa municipal swimming pool west of Cole Road and transportation may be arranged if necessary.

Set B-7 Family group sheets for 1986-1987:

After some delay to update some information here and there on the family group sheets with an attempt to fill the pedigree completely with limited time available, the set came out with less than what is expected. It is decided to have them printed as is and have them mailed out, as soon as possible, to all those who have paid their current dues which are for 1986-1987.

The family group sheets (Set B-7) covers the families as follows:

Isaac Billington (1644) and Hannah Glass  
Francios Billington (1606) and Christian Penn  
John Billington (1580) and Eleanor  
James Glass (1620) and Mary Ponitus

There are several other sets of family group sheets that need to be worked upon and the lineages of the same family group sheets on the pedigree charts are also in need to be extended farther. Set B-8 of family group sheets for 1987-1988 will be made up after the Boise reunion. It will be mailed to those who pay next year dues (1987-1988).
